

Supplies

3 1/2 yards fabric (at least 45" wide)

Double Fold Bias Tape (42" long)

3 yards 1/2" grosgrain ribbon, twill tape, or fabric-cut belt

2 pieces of 8" long 1/4" elastic

1. Fold fabric in half so selvages are together. Lay out pattern as shown, placing Front on center fold and Back on selvage. Cut pieces. You will end up with 1 Front piece, 2 Back pieces, 4 Sleeves and (if you don't have ribbon or twill for belt) 4 Belt pieces.

2. While the Front is still folded, place a mark 18" below center of neck [X]. This is where the belt will be attached.
3. Stitch sleeves to Front and to the Back pieces.

4. If Back pieces were cut on selvage, skip this step. Otherwise, to finish the Back edges, double folding edge over 1/4", press and then stitch closed.
5. With right sides together, sew Front and Backs together at shoulder top of sleeve.
